WELCOME to Ohio Pain & Rehab Specialists. We appreciate you choosing us to serve your medical needs. You must bring your insurance card and I.D. to be seen. If you need to cancel or reschedule your appointment we respectfully request a 24-hour notice.

If you would like us to bill your insurance for your visit, please give your insurance card to the receptionist to copy. If you do not bring the card, you will be held responsible for payment of the charges in full at the time of service. Co-pays are collected at the time of service.

If your visit is due to a Worker's Compensation claim, you will need to give us your Worker's Compensation number, date of injury, physician of record and employer at the time of the accident.

If your visit is due to a motor vehicle accident/personal injury case, and you do not have health insurance, you will need to pay for the visit at the time of check in. We do not accept personal checks.

Please complete all of the questions on the Patient Information Sheet and bring the following information with you:

- Please bring your current medication list, pharmacy name and phone number.
In order to best serve your medical needs, we request that you also bring lab results, x-ray and MRI results from the last three years.
If scheduled for injections, please bring a designated driver. This is a mandatory safety measure.

Enclosed is a map and directions to the location of your scheduled appointment. Please arrive 30 minutes prior to your designated appointment. Please feel free to call the office if you have any questions or concerns.

The patient is responsible for any services not covered by insurance. Co-pays and deductibles must be paid in a timely manner. Any past due balances must be paid prior to any future requests, i.e., prescription refills, appointments, etc.
